There are 20 trainers who need 3 trainings by March. SAIPH can help by sending out more emails to get trainers to trainings. SAIPH has money for ASIST trainers		
		3. LOGO update	Logo contest winner is Nandas Iacovou who works as a physical therapist at YKHC. The logo design is being edited and words being added. A printing company will make different versions for SAIPH to decide which it likes.		

SAIPH: Suicide Awareness, Intervention, Prevention, & Healing

Mission: Empowering communities and organizations to prevent suicide

		4. Winter Bear play	Ongoing conversation about bringing Winter Bear to Bethel. It may happen around Camii time. The theater group is looking to put together a traveling version. SAIPH is committed to giving \$2,000. The MSPI Grant (Mary Johnson) can also provide funds. Other partners include Bethel Council on the Arts, Bethel Actors Guild, and KUC. As it draws nearer we will need to check with the airlines to see if they'd be interested in providing flights. We'd like to have at least 3 performances in Bethel.		
SAIPH Elections	10:35-11:00	SAIPH Elections: short speech by nominees President: Diane McEachern Vice-President: Jennifer Peeks Treasurer: Yvette "Charlie" Barrows Secretary: Colleen Osterhaus	2011 Board: President: Diane McEachern Vice-President: Jennifer Peeks Treasurer: Yvette "Charlie" Barrows Secretary: Colleen Osterhaus		
New Business		Suicide Listening Sessions in Anchorage (Mary Johnson) Other Plays of Interest (Patty McMillin)	At the Suicide Listening Sessions 10 people from the YK Delta testified and advocated for their communities and for the support we need in the delta. There were 4 full hours of testimony. The delegates provided good discussion on how grant funding alone can't address this issue and that we need to build a more sustainable approach to wellness and find sustainable solutions. Prevention must be ongoing and not just when it's politically convenient. These discussions will help create policy coming out next year. Jack Dalton's Time Immemorial and another (name??)		
Suggestions for next meeting agenda			If there is money left over from year 1 and year 2, SAIPH members would like to see some of the money be used for training funds to send people to SAFE Talks training and the annual Living Works Conference.		
Next Steps			Transition to new board in January 2011
